RELEVANT LEGISLATION

The Food Act (OG No. 117/03, 130/03, 48/04, 85/06)

- ✓ Ordinance on designations of origin and geographical indication (OG No. 80/05, 11/07)
- ✓ Ordinance on the recognition of specific characteristic of foodstuffs and designation of the marking “traditional reputation” (OG No. 127/05)
- *Harmonized with relevant EU legislation from 1992*

1. Development of legislation 2008-2010

NEW LEGISLATION

Act on designations of origin, geographical indications and the traditional specialities guaranteed for agricultural products and foodstuffs (OG No. 84/08, 20/10)

- ✓ Ordinance on designations of origin and geographical indication for agricultural products and foodstuffs (OG No. 88/09)
- ✓ Ordinance on the traditional specialities guaranteed for agricultural products and foodstuffs (OG No. 82/09)
- ***Harmonized with EU Regulations 510/2006 and 509/2006 and other implementing Regulations***

Act and Ordinances prescribe

- ✓ Conditions and registration procedure of PDO, PGI and TSG for agricultural products and foodstuffs on the national level
- ✓ Rules for the applications of the request for registration of PDO, PGI and TSG on the EU level
 - the application can be submitted by MAFRD only
- ✓ Verification of compliance with product specification and official controls

National symbols for PDO, PGI and TSG

Ordinance on national symbols for PDO, PGI and TSG (OG No. 23/10)

⇒ PDO

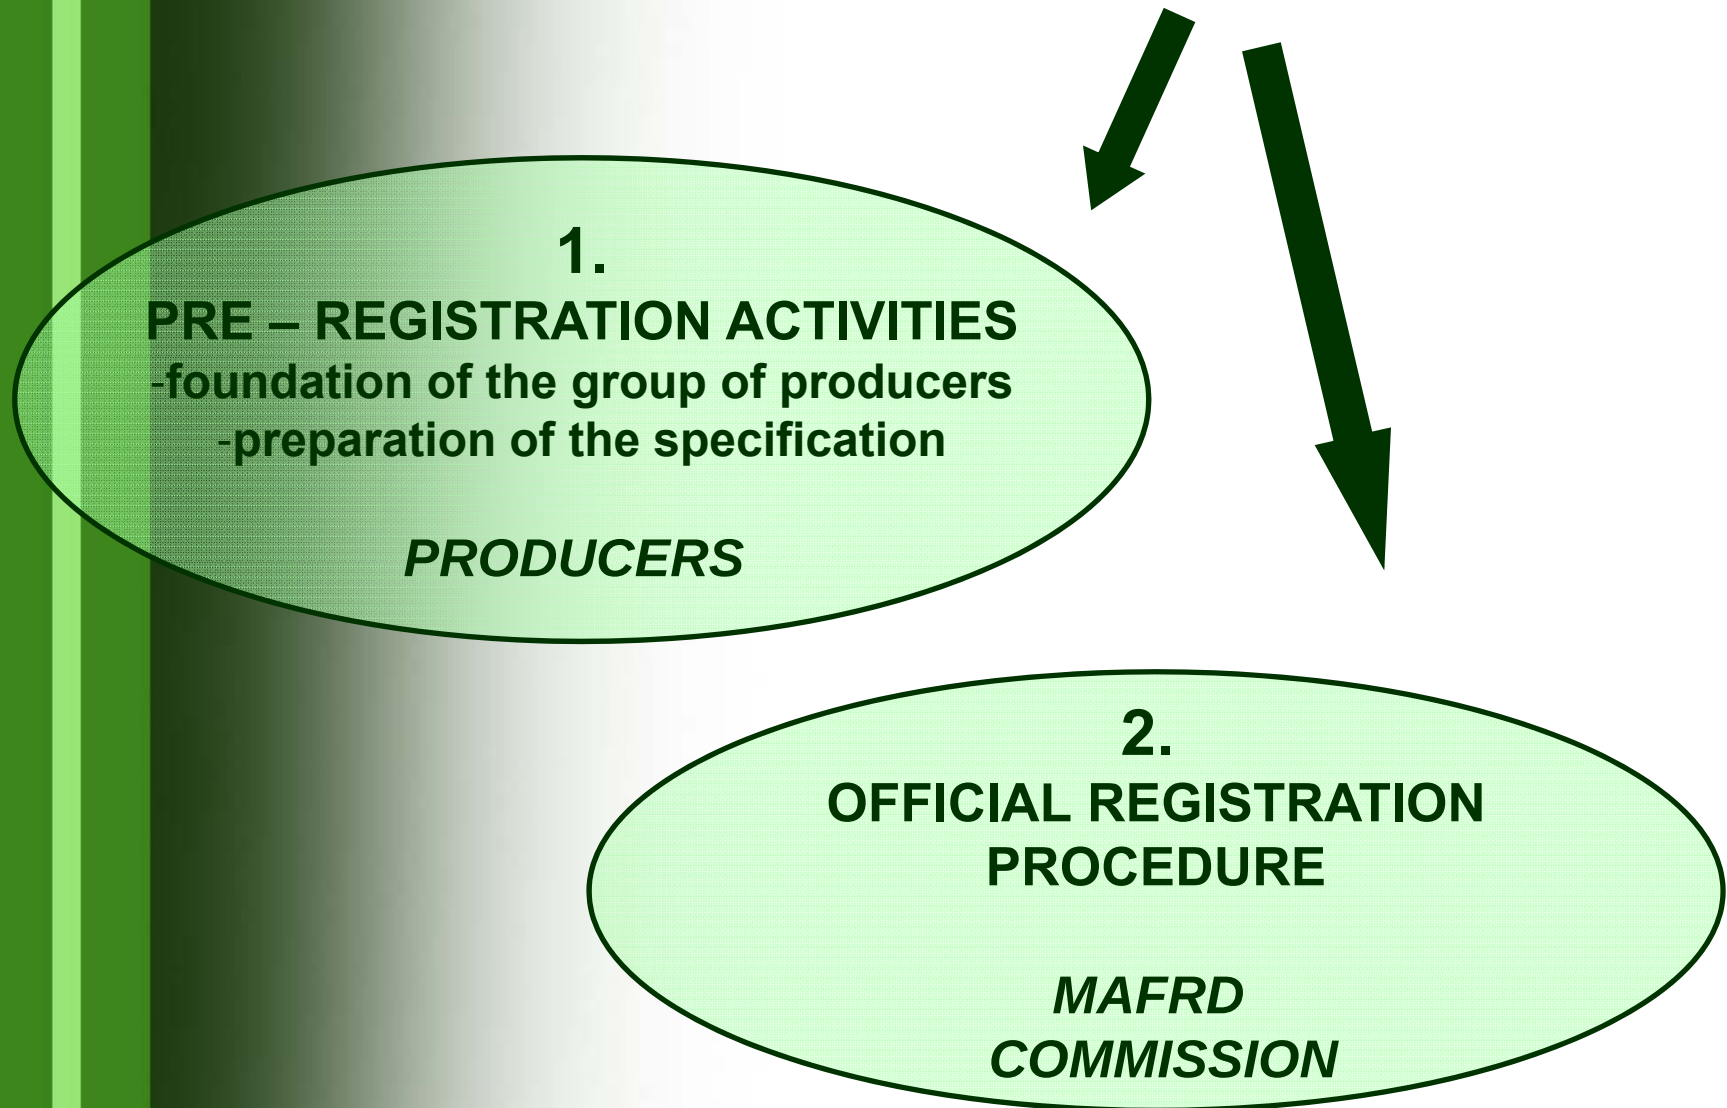

⇒ PGI

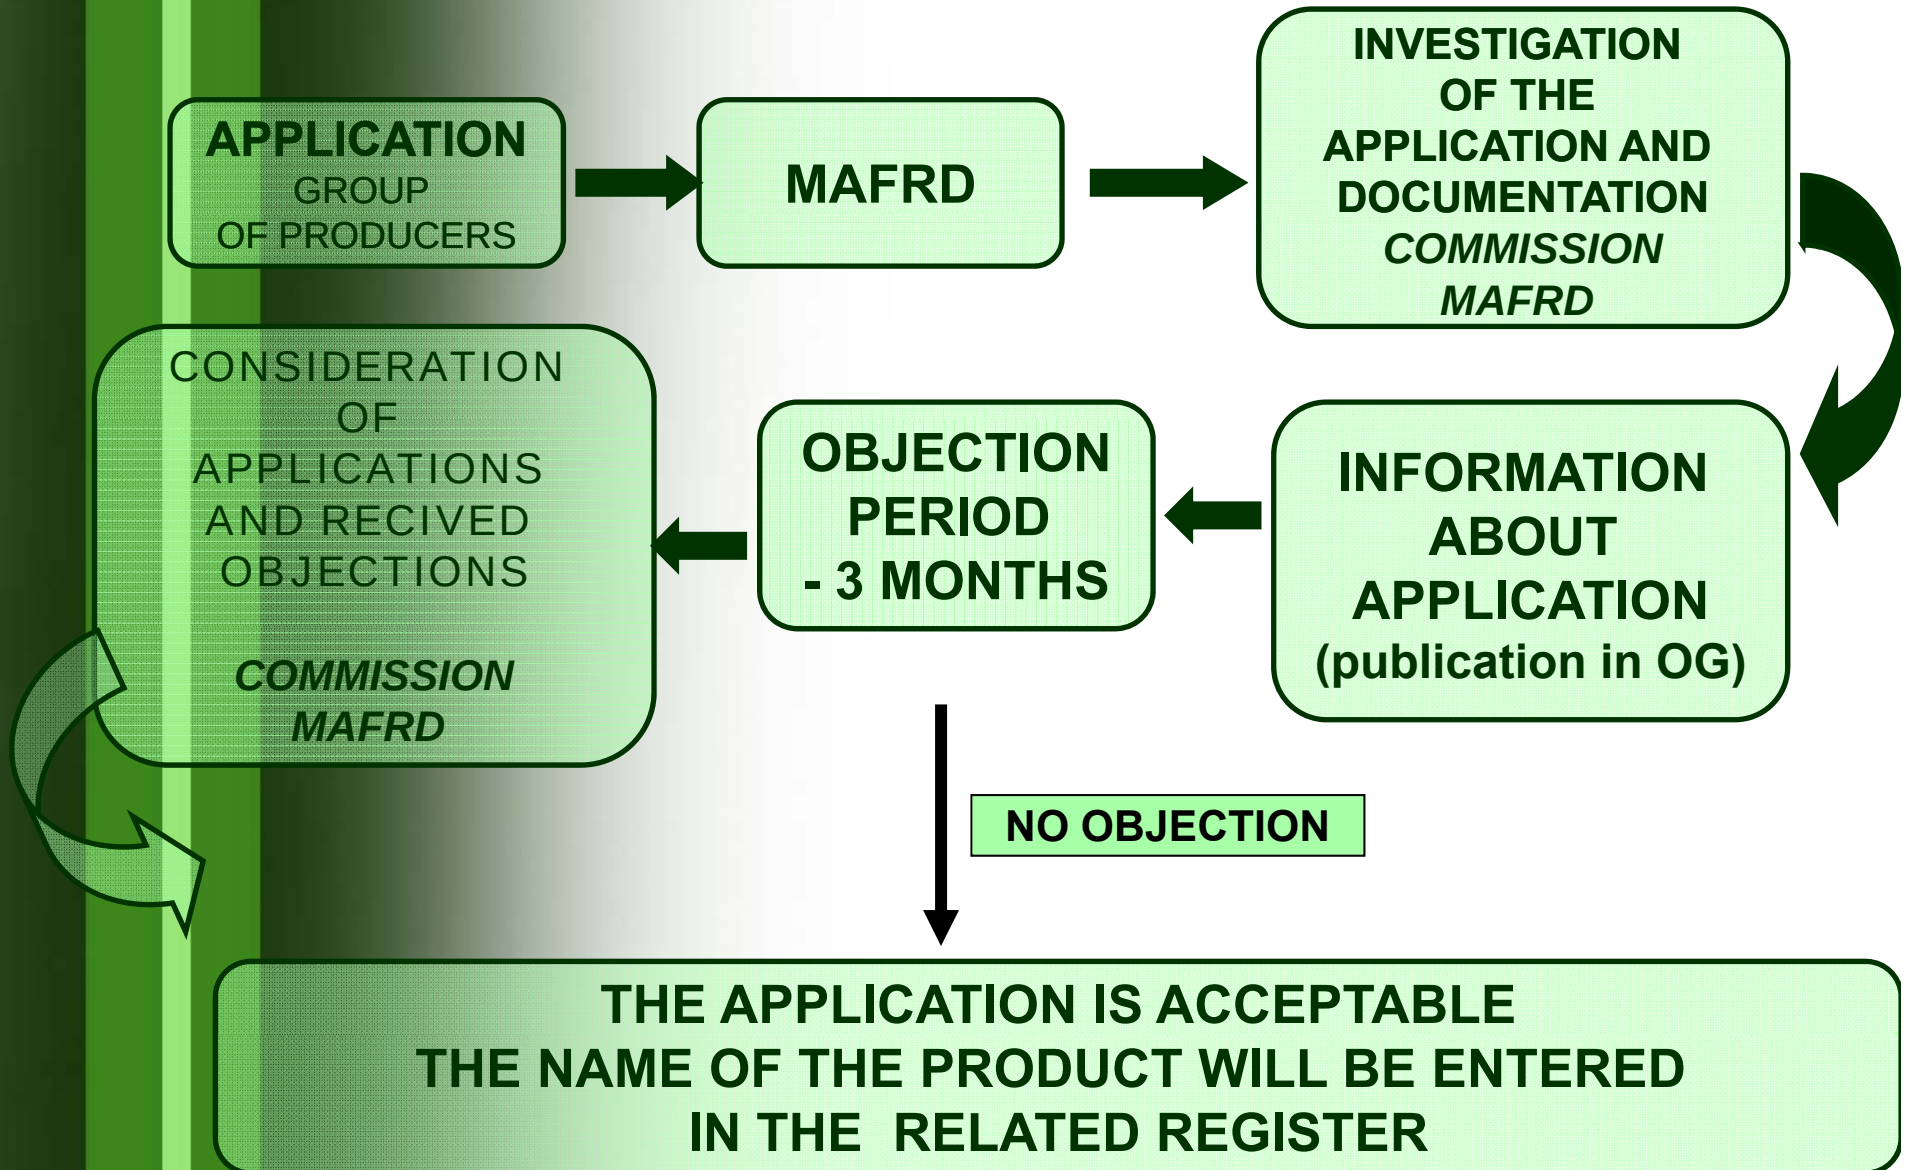

⇒ TSG

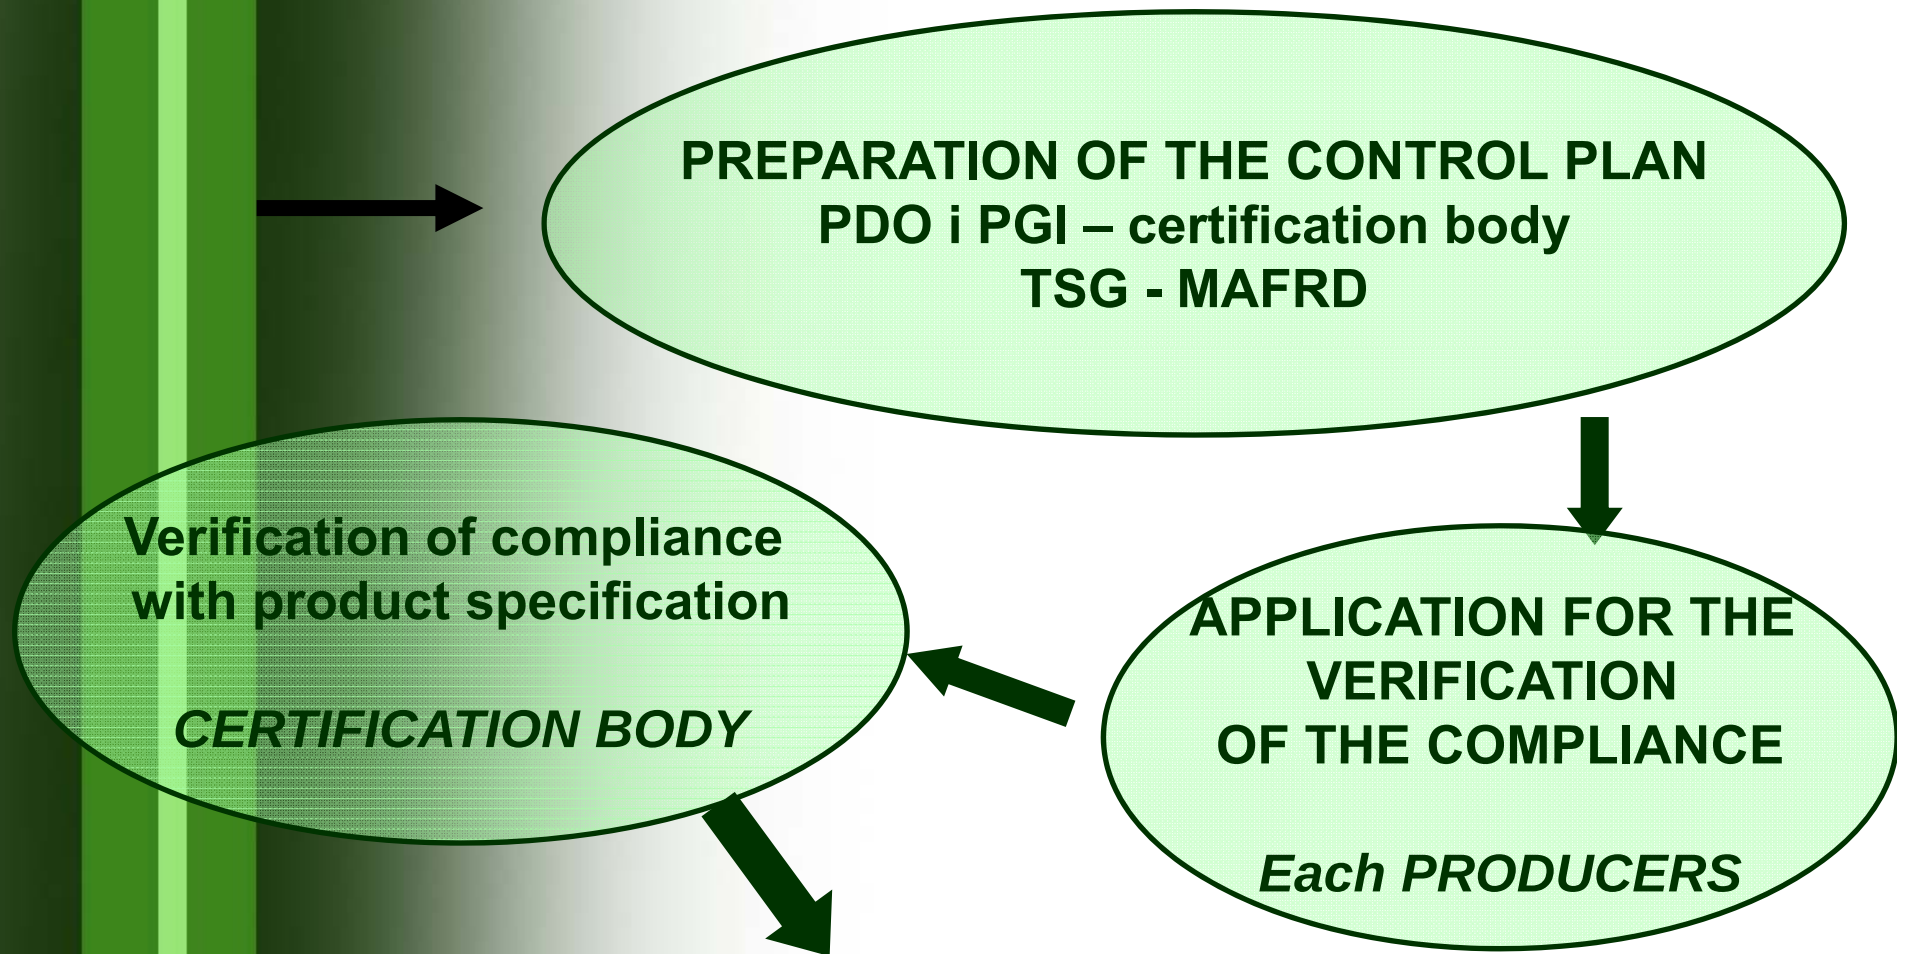

2. Registration proces

2. Official registration procedure

3. Verification of compliance with product specification

IN THE CASE OF COMPLIANCE WITH THE SPECIFICATION
CERTIFICATION BODY ISSUES THE CERTIFICATE
AND MAFRD ENTERS THE PRODUCERS IN TO THE BOOK OF USERS

3. Verification of compliance with product specification

- ✓ Carried out by certification body
- ✓ Certification body – legal person authorised by MAFRD
- ✓ Certification body must be accredited according to standard HRN EN 45011
- ✓ MAFRD performs supervision of certification bodies

3. Official controls

Official controls

- ✓ Production level
carried out by quality inspection from MAFRD – **part of the verification of compliance with product specification**
- ✓ Retail level
carried out by State inspectorate – **examination the rights of use the registered name**

Official control on food safety and hygiene

- ✓ carried out by veterinary (MAFRD) and sanitary (MHSW) inspectors accordig to the Food Act

4. Registered designations in the Croatia

By SOIP:

1. Slavonski domaći kulen/kulin
2. Paški sir
3. Istarski pršut
4. Cetinski sir
5. Paški baškotin
6. Drniški pršut
7. Torkul

Registration for those indications must be renewed in accordance with the new Act - deadline for the submission of application was 31th December 2008

Reason:

- Lack of the control system

4. Registered designations in the Croatia

1. Paški baškotin i Torkul

— give up, registered as trademark by SOIP

2. Slavonski domaći kulen/kulin, Paški sir, Istarski pršut, Cetinski sir, and Drniški pršut

- are in the procedure of renewable of registration by MAFRD

3. New applications

4. Registered designations in the Croatia

“PAŠKA SOL” or “PAŠKA MORSKA SOL”

- registered as PDO according to the new legislation
- control plan has been written and proposed by certification body and approved by MAFRD

Activities conducted by MAFRD

- **Activities performed through the projects:**
 - 1. CARDS 2002 and 2004 – harmonization of Croatian legislation with relevant EU legislation, establishing of control system, education of inspectors etc.**
 - 2. GTZ (support for the group of producers, education of the producers, preparation of guide for the implementation of the legislation etc.)**
- **Co – finance the accreditation of the certification bodies authorised by the MAFRD – State Budget**
